PRONATAL ACADEMY

**How to achieve a better
success with ART?**

**Kako do boljeg
uspjeha IVF-a?**

NP Brijuni, Hotel Neptun / Istra

25. - 27. travnja 2024.

Thursday, April 25

16:00-18:00 Registration

18:00-19:00 SYMPOSIUM OPENING

David Karasek / Aim of Pronatal Academy

Velimir Šimunić / Results of ART

19:15 Welcome words

20:00 Dinner

Friday, April 26 - morning

Lecture room A

KEYNOTE SESSION

Moderators: Nicole Mardešićová and Tonko Mardešić

9:00 Tonko Mardešić / Natural cycle or HRT cycle for FET

9:20 Nicole Mardešićová / Social freezing

9:40 Velimir Šimunić / Principles of individualized ovarian stimulation

10:00 DISCUSSION

How to manage ART cycle

Moderators: Lana Škrkatić and Aleksandar Ljubić

10:40 Ivan Grbavac / Populations for follitropin delta – to whom, why, how?

11:00 Igor Maričić / Ovulation trigger – agonist trigger, HCG dose, Dual, Double and Rescue trigger

11:20 Aleksandar Ljubić / ART in aging population and in low prognosis patients

11:40 Lana Škrkatić / Optimal progesterone support for fresh ET and FET

12:00 DISCUSSION

12:45 Lunch

programm

Lecture room B

Advanced embryology

Moderators: Ladislava Jelinková and Irena Milaković

10:40 Borut Kovačič / Quality control in IVF laboratory

11:05 Ladislava Jelinková / IVF or ICSI – non male infertility

11:25 Irena Milaković / Low embryo development rate

11:45 Matea Đermanović / New methods of sperm selection

12:05 Nina Cozlová / Time-lapse monitoring and morpho kinetic signs of normal and abnormal embryo/blastocyst

12:25 DISCUSSION

12:45 Lunch

Friday, April 26 - afternoon

Lecture room A

PCOS in ART

Moderators: Miro Šimun Alebić, Lana Škrkatić

15:00 Miro Šimun Alebić / Optimal ovarian stimulation protocols in PCOS

15:20 Lana Škrkatić / Which PCOS phenotype has lower prognosis/AMH as a prognostic factor for outcome

15:40 DISCUSSION

Up-to date topics

Moderators: Milan Perović, Goran Vujić

16:00 Goran Vujić / Fertility preservation in gynaecological oncology

16:20 Milan Perović / BMI and ART success

16:40 Jovana Radaković Čosić / What is in fact unexplained infertility

17:00 DISCUSSION

Clinical genetics in ART

Moderators: Marcela Kosarova, Nicole Mardešićová

17:20 Marcela Kosarova / Practical genetics for ART specialists

17:40 Nicole Mardešićová / Clinical impact of PGT-a

programm

18:00 DISCUSSION

19:30 Dinner

Lecture room B

Advanced embryology

Moderators: Richard Honner, Igor Matic

15:00 *Igor Matic* / Artificial oocytes activation

15:20 *Richard Honner* / Vitrification of oocytes – vitrification media

15:40 *Nebojša Vujnović* / Optimal preparation of semen for IUI

16:00 *Dejan Ljiljak* / Embryo development rate in PCOS

16:20 DISCUSSION

19:30 Dinner

Saturday, April 27 - morning

Lecture room A

Donation program

Moderators: Nicole Mardešićová, Richard Honner

9:00 *Nicole Mardešićová* / Donation program cook-book – how does it work?

9:30 *Richard Honner* / Expected success rate with donations

9:50 DISCUSSION

Round table discussion

ART specialists

Moderators: Tonko Mardešić, Aleksandar Ljubić, Igor Maričić, Mihajlo Strelec

10:10

- Natural cycle IVF
 - *Hrvoje Vlašić* (5 minutes)
 - *Brigit Leuhr* (5 minutes)
- Discussion 10 minutes

- Progesterone for threatened miscarriage - *Velena Radošević*

programm

- Nutritional supplements in ART - *Ivan Grbavac*
- PRP positive effects – evidences - *Aleksandar Ljubić*
- HPV infection and ART - *Tomislav Čanić*
- Bleeding in ART cycle and early pregnancy - *Ivan Petrović*
- Immuno modulation therapy in ART/RIF - *Mihajlo Strelec*
- OHSS prevention - *Tonko Mardešić*
- AMH screening in healthy younger females - *Velimir Šimunić*

AIM: Presentation of each topic/or relevant article 5 minutes (3 - 5 slides) - 7 minutes discussion

12:30 CLOSING REMARKS

Lecture room B

Round table discussions

Clinical embryologists

Moderators: Borut Kovačić, Richard Honner, Saša Vujnić, Igor Matic

- Which is the best - *Nina Cozlová*
 - culture media
 - oil
- Processing testicular tissue - *Nebojša Vujnović*
- Oocyte quality – influence of known factors - *Saša Vujnić*
- Incompatible gametes - *TBD*
- Slow growing embryos - *Borut Kovačić*
- CatSper – channel for sperm motility - *Matea Đermanović*
- Fertilization failure and early embryonic arrest - *TBD*
- Istanbul consensus revised - *TBD*
- IVM today - *Igor Matic*
- What is PIEZO ICSI – what Rescue ICSI - *Ladislava Jelinková*
- Cytoplasmic end nuclear maturation of in vitro matured cells - *Dušica Ljubić*

AIM: Presentation of each topic/or relevant article 5 minutes (3 - 5 slides) - 7 minutes discussion

12:30 CLOSING REMARKS (Lecture room A)

programm

PREDAVAČI SU UGLEDNI STRUČNJACI
IZ PODRUČJA IVF-A IZ HRVATSKE,
REGIJE I ČEŠKE REPUBLIKE.
